Technology Event SCMJ 3 Minutes Fast Pitch Competition

You are cordially invited to attend this exciting 3 Minutes Fast Pitch Competition organized by Southern California Monte Jade. This event is an exciting opportunity to see the new businesses, representing various technologies and ideas that are springing up in Los Angeles. Formatted as a pitch competition, this is an educational opportunity to learn how to profile an enterprise and deliver a concise, effective pitch. The judges are comprised of well-known professional angels and venture capitalists, each having experience as entrepreneurs. They will also provide valuable insight on the pitches of the presenting companies, as well as advice on how to deliver a concise, effective pitch to make a positive first impression. This will be a good business networking opportunity for all.
